**We are seeking Singers / Dancers, male and female, for an Ensemble Cast.
Also seeking narrator, 'Man in the Chair', speaking lead with minimal singing.**

*With the houselights down, a man in a chair appears on stage and puts on his favorite record: the cast recording of a fictitious 1928 musical. The recording comes to life and **The Drowsy Chaperone** begins. Mix in two lovers on the eve of their wedding, a bumbling best man, a desperate theatre producer, a not-so-bright hostess, two gangsters posing as pastry chefs, a misguided Don Juan and an intoxicated chaperone, a live full orchestra and you have the ingredients for an evening of madcap musical delight.*
